

MacIDOL EPK:

HOKEY POKEY

BAND STORY

"Wish you were here.. ĩ¿½There is a fifth dimension, beyond that which is known to man. It is a dimension as vast as space and as timeless as infinity. It is the middle ground between light and shadow, between science and superstition....ĩ¿½"

Is there anybody out there???

Planet MacIdol seems to be orbiting

around the dark side of the moon. Hokey

things change

the mud elephant, wading through the

rivers, leaves no tracks

or as Mr. H said,

castles made of sand, fall into the sea, eventually
