My Collaborations

I had a radio station for all my collabs but there was a glitch and i'm unable to recreate it. So, here is list of my collabs, in alphabetical order of artist name. (Anything not listed is already in my jamroom.)

L M D O by **Paul Brazier**

Circulus Vitae II by **Deadman Turner**

Forever by **Henry**

Turn Away, Yesterday with **madduane** (fka Frogmorton)

A Band-Mate of Years by **Me and Boris the Bull**

MO did another mix of **Songalong**, and added piano, here: **Songalong (MO's Remix)**

Warm by **Maggie Osterberg**

Listening Dream by **Stuart "Gumbo" Walker**

Everybody's Body is an Ocean (Yeah!) by **Stuart "Gumbo" Walker**
(Bass on *Everybody's Body is an Ocean* is by **Steve Jay** aka **B&Massa**)

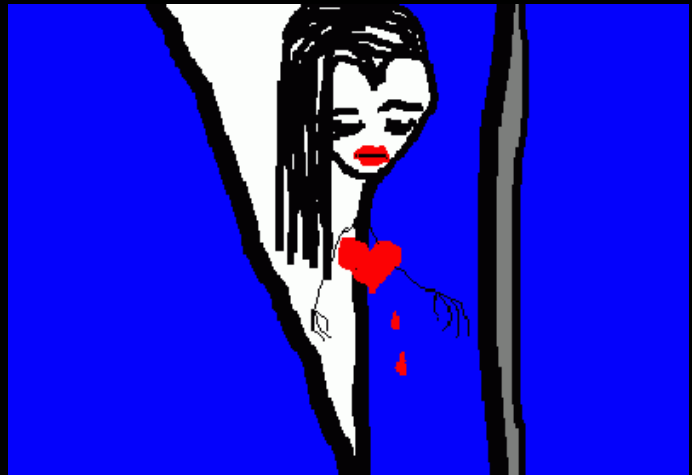

All my other collabs can be found in my jamroom.

Happy Halloween! A couple of things...

I am on the **EPILEPTIC GIBBON PODCAST MUSIC SHOW**, for tonight's special Halloween edition! I am very excited! I've already listened to it and it's a fantastic, energetic and very FUN show, despite the inclusion of my rather grim song, *From a Coffin*.

This is Episode 19 of Eppy's podcast and it's called: **The Girl Who Was Death**
